**The  
Arc's  
Emergency  
Number  
897-0149**

It's Hurricane Season again! Let's be prepared. The Arc of GNO has an emergency number (897-0149). The recording is only changed when emergency situations arise (hurricanes, etc.). During emergencies the recording will be updated regularly with opening and closing information for employees and participants.

Put this number in a location that is accessible to you at all times. Remember: this is an emergency line. **DO NOT LEAVE MESSAGES ON THIS LINE, AS THEY CANNOT BE ANSWERED.** If the emergency line is down (like it was for Katrina) visit our web-sites for more emergency information.
